

**WARDROBES**

**FORMICA® WARDROBES** help you create cost-effective storage solutions. The 13 neutral colours come in a variety of woodgrains, solids and patterns, so they're stylish too. Each is available on 16mm Particleboard or 9mm MDF. Pearl has been chosen as the standard finish option as it conceals minor scratches and marks. The end result is a wardrobe that looks better for longer. With a 7 year limited warranty, we guarantee Formica Wardrobes are built to last.

Formica Wardrobes are marketed and distributed by The Laminex Group. A division of Laminex Group Pty Limited ABN 98 004 093 092. The colours depicted in this brochure are as close to the Formica Wardrobes range as modern printing processes allow. Colour/finish combinations are subject to availability. Colours/finishes shown are available at the time of publication, but may be withdrawn without notice. Dark colours require more care and maintenance than light-coloured surfaces. The Laminex Group recommends the use of laminate cleaning products for dark colours. Please visit [formica.com.au](http://formica.com.au), for specific care and cleaning information. Please note that in certain light or from different angles, wipe down marks may be visible. Formica Wardrobes are no different than any other material in that darker colours will always show scratches and superficial wear and tear more readily than lighter colours. Formica Wardrobes should be protected from strong direct sunlight as continuous exposure may cause discolouration or fading to the surface over time. Please obtain a copy of the terms and conditions of the applicable Formica Wardrobes 7 year limited warranty from The Laminex Group or visit [formica.com.au](http://formica.com.au). This warranty is in addition to any rights that may exist under the Trade Practices Act (Cth). See the website for more information on these products. **Formica®**
